UNDERSTANDING EARLY APPLICATION DEADLINES (LIBRARY STUDY RM-1,2,3)

There are many different types of early applications: Early Decision, Early Decision I and/or II, Early Action, Restrictive Early Action, Rolling, etc. Learn what these different terms mean and the pros and cons of applying early.

COMMUNITY COLLEGE: CAREER TRAINING/TRANSFER OPTIONS (RM 75-1)

4-year colleges are not the only pathway to success. Learn firsthand what options are available via community college, and about pathways to transfer or a vocational program.

OPEN Q & A: MISS ANYTHING? (AUD-3)

This is an open forum for parents and students. Come ask any of your future-planning questions.

HOW PARENTS CAN HELP (AUD. 2)

College application season can affect the whole family! Come for some discussion about supporting your student through this process.

FIRST IMPRESSIONS: TIPS FOR MEETING W/ COLLEGE REPRESENTATIVES (LIB-2)

Planning on attending a college fair or meeting with a college representative at LHS? Learn how to prepare questions and engage with your rep!

COLLEGE ESSAYS: TIPS & SUGG. (LIB-1,3)

Want support focusing your college application essays? This is the right session for you. Learn about the various application prompts, and what readers will be looking for.

SETTING UP NAVIANCE (RM 74- 1, 2, 3)

The college application process is complex! This session is designed to help you navigate the LHS logistics of using Naviance to complete your senior folder and obtain required materials, including letters of recommendation.

COLLEGE APPLICATION Q&A: WHAT, HOW, & WHEN? (AUD- 1)

There are many different college application portals with different interfaces and requirements. Take a "tour" of the most frequently used portals to become familiar with how these applications function.
